# BENEFITS TO AUGMENTED STAFFING

## NOTES:

- \* Can hire full-time with contract buy-out.
- \* We do all vetting & background checks.
- \* Can use multiple engineers at same time.

## Why Choose In The Cloud Technologies?

Experience. Proven track-record. Innovation. Speed. Flexibility. And the solutions you're looking for. We harness the right experts for the right projects, sourcing professionals that have been delivering across all industries for decades.

-  Technology agnostic + partner to all clients
-  Recruiting top talent globally
-  Hundreds of technology certifications
-  More than 200 top technology experts worldwide
-  On the fly team additions with adaptability to any project
-  Simple contracting and multi-time zone support

Processes would work as they do now, working with me. This relationship is exactly what you can expect with our consultants and how the process would merge into your set procedures.
